CACI NON SURGICAL SOLUTIONS

The latest technologies for the most effective skin care

Micro Medical Needling, Collagen Stimulation Therapy

This treatment has multiple benefits for skin rejuvenation. During the treatment, ultra fine needles create a small amount of bleeding. This releases powerful growth factors, which result in increased collagen & Elastin production. Ideal for Rosacea, wrinkles, stretch marks, scarring, sun damage and skin rejuvenation.

£220.00

Croysthetics - Freezing method - effective & safe solution for skin imperfections

A fine jet or nitrous oxide destroys the tissue by freezing the inter-cellular fluid, thereby destroying the cell. The surrounding skin is unaffected due to its incredible accuracy. Ideal for: **skin tags, solar lentigo, age spots, milia, warts, cherry angioma, viral verrucas.**

Prices start from £45

Laser skin rejuvenation & vein reduction (Telangiectasia)

Our skin ages due to sun exposure & decreased production of collagen. Age spots and redness are greatly improved.

1 patch area from £120

Full face £240

Course of 3 £675

Laser Vein Removal - (Telangiectasia)

15 mins - £165.00

30 mins - £295.00

Mesootherapy Treatments

This unique technique injects Vitamins, enzymes, pharmaceutical medications into the Dermal layers of the skin. A popular ingredient is Hyaluronic Acid. This treatment is carried out with collagen stimulation therapy.
